Dear Mr. Kleinheider:

RE: Resource Recovery Certification RR - 185
Classification - U

This letter is to inform you that the Department of Natural Resources has completed the review of your certified resource recovery facility application form. After a review of your application form and the supporting documents, the department is pleased to inform you that Grimco Signs, Inc. has been certified for resource recovery contingent upon the following conditions:

1. The operator shall comply with 10 CSR 25-9.010 and all plans and processes described in the certified resource recovery application.
2. The operator shall distill only those wastes listed in the application and in the amounts specified.
3. All still bottoms must be disposed of as a hazardous waste, but may be stored for more than ninety days or until economically feasible to dispose of them.
